

# Strategic Directions 2017-2022

## Capacity

To ensure YWCA Sudbury has the human and financial resources to meet the needs of the women we serve and to address women's issues in our community.

## Inclusion & Diversity

To adapt to serve the needs of diverse communities.

## Service

To consistently deliver high quality, accessible, flexible, responsive and client-centered services.

## Education

To promote community awareness that leads to action to eliminate violence against women.

## Advocacy

To publicly address issues related to empowerment of women.

## Community Engagement

To identify and engage community partners that will enhance the service delivery, education, advocacy, capacity and inclusivity goals of the YWCA Sudbury.
